

Breathe

W.A.S.P.

You don't have to hear my heart beat
All you need is to look into my eyes
All tell me, i'm the one you heart needs
I'm the only one you run in the night
Oh let me , burn the words forever mind
Across you heart , across your mind
Take your hands and feel my heart beat
Come and let me feel it in your eyes
All you have to do is touch me
oh and lay your flame across my fire
oh let me spread your wings and come inside
And take your heart and make you mine

R: Come and lay down your heart on me
All that i wanna feel is breathe in me
Lay down your heart on me
Feel inside of me breathe on me
Come and take me on, take me down
Oh take me all, all the way
There's only one way
Only one thing i need, all i need
Take me way down
Come and lay down on me

R:
