

Burn

W.A.S.P.

The sky is red, I don't understand
Past midnight I still see the land.
People are sayin' the woman is damned,
She makes you burn with a wave of her hand.
The city's a blaze, the town's on fire.
The woman's flames are reaching higher.
We were fools, we called her liar.
All I hear is burn!

I didn't believe she was devil's sperm.
She said, curse you all, you'll never learn!
When I leave there's no return.
The people laughed till she said, burn!
Warning came, no one cared.
Earth was shakin', we stood and stared.
When it came no one was spared.
Still I hear burn!

You know we had no time
We could not even try
You know we had no time

You know we had no time
We could not even try
You know we had no time

The sky is red, I don't understand,
Past midnight I still see the land.
People are sayin' the woman is damned,
She makes you burn with a wave of her hand.
Warning came, no one cared.
Earth was shakin', we stood and stared.
When it came no one was spared.
Still I hear burn, burn!
