

Dirty Balls

W.A.S.P.

I wanna ride you like
The animal you are
I wanna ride ya till you're raw
I wanna slide up all inside
All over you
I wanna do ya like
The wicked bitch you are
Call me a bastard
A real bad attitude
Shove it in their faces
Show my dirty Ooh

Dirty-balls, balls, balls
Is all I need
Hang 'em high oh tonight
So the world can see
Balls, balls, balls
Is all I need
So dirty oh lord 'a mercy
All I wanna see

I'm gonna do ya like

The savages you are
I wanna do ya till you die
I'm gonna ride 'em cowboy style
For all to see
Make 'em all my bitches
Take 'em all and make 'em cry
Oh am I nasty
Do ya think I'm rude
I just wanna see ya
Hold my dirty Ooh

Dirty-balls, balls, balls
Is all I need
Hang 'em high oh tonight
So the world can see
Dirty-balls, balls, balls
Is all I need
So dirty oh lord 'a mercy
All I wanna see

I'm gonna hold, gonna hold 'em
High, high, high
So dirty oh so dirty oh
Till I die, die, die
