

Forever Free

W.A.S.P.

I ride all alone, I can't see
The road to nowhere anymore.
And shadowed whispers are calling me
To forbidden forests by the shore.
And there she fell deep in the night
Ooooh, one breath away from Heaven's light
And she said, don't cry for me, I'm leaving you.
The wind cries her name in the breeze
But I can't hold her anymore, no, no more.
Some fallen angel had come to me
And fell too heavy on my soul.
And stole from me the love that I
Ooooh, heard lords of time say, never die.
And she said, don't cry for me because I'll be.
Chorus:
Riding the wind forever free
Riding the wind forever free
High on the wind forever free
I ride the wind forever free, forever.
Bridge:
Forever in my heart a fire, a fire burning,
I wake up nights and hear her crying, crying my name.
