

# Hallowed Ground

W.A.S.P.

Come and take me down  
The dark beyond  
And take me there  
Where I come from

Take me down to the place where I will kneel  
And let me lay my shadow down  
In through the eyes of a child's inner me  
No pain to heal my bloodied brow

There is no rain to save this silent dawn  
There is no rain to save at all  
There is no rain to save this silent ground  
There is no rain to save at all

Chorus-  
Oh father take me  
To where I lay me down  
On hallowed ground  
Oh the sky is falling  
And I don't know where my home is now  
My hallowed ground  
Oh and can you take me  
For I have tasted hallowed ground  
Oh all around

Bridge-  
Father, do you hear me  
This pain will not cry out loud  
Father, I know you hear me  
My head is bludgeoned but unbound

Chorus
