

The Demise

W.A.S.P.

Welcome to my world
Kingdon of supreme
I'm your new Messiah
You'll worship at my feet

Welcome Kingdom Come
To disciples that I preach
You will bow down before me and
You will remember me

Dying for you
I'm lord to thousand
Our god is you
You'll sow what you reap
Falling for you
Oh i'm the God man
Our God is you
You'll all bow to my feet

Come - to me
And see me in you
Can you feel it
Oh - I'm running through you

Come unto me
Oh oh, and worship me
Your new God
I feel it - Believe it
You're all born anew

Dying for you
I'm Lord to thousand
Our God is you
You'll sow what you reap
Falling for you
Oh, i'm the God man
Our God is you
You'll all bow to my feet
Falling for you
Our God is you
Falling for you
Our God is you
