

The Idol

W.A.S.P.

If I could only stand,
and stare in the mirror would I see
One fallen hero with a face like me
And if I scream , could anybody hear me
If I smash the silence you'll see what fame has done to me

Kiss away the pain and leave me lonely
I'll never know if loves a lie.. being..
crazy in paradise is easy
do you see the prisoners in my eye

Where is the love to shelter me?
Give me love, love, love come set me free
where's the love.. to shelter me
only love, love, love, love set me free
set me free
