

The Rise

W.A.S.P.

Welcome to my world
To my kingdom of make believe
I'm your new Messiah
You'll worship at my feet

Welcome Kingdom Come
To disciples that I preach
Will ya, bow down before me and
Will you remember me?

Dying for you
Will I lie to thousands
Our God is you
Am I deceit?
Falling for you
I am the God man
Our God is you
You're all at my feet

Take me
Change me
Love me
A crown of thorns on my heart

Change me
Save me
Will you love me?
Forever nailed to your cross
