

# The Rock Rolls On

W.A.S.P.

There's never a day, that's passing my way  
That I never need it  
My hands on the wheel, my foot's on the steel  
Cause I gotta feel it

The rock rolls forever on - ooh, forever on  
Like thunder - coming down, ooh, it's coming down  
The rock rolls forever on - ooh, forever  
Like thunder - coming down, aah yeah

It flows through my veins, like thunder and rain  
And I can't live without it  
I scream for the crowds, and turn it up loud  
'Cause I gotta shout it

The rock rolls forever on - ooh, forever on  
Like thunder - coming down, ooh, it's coming down, aah yeah  
The rock rolls forever on - ooh, forever  
Like thunder - coming down

Six string and lightning strikes  
Come make me blind  
Aah, burn it up  
Bring down the petal to the metal  
Just one more time  
Aah, turn it up

The rock rolls forever on - ooh forever on  
Like thunder - coming down, ooh, it's coming down  
The rock rolls forever on- ooh, forever  
Like thunder - coming down

Forever never stop  
Forever never stop  
Forever never stop  
Forever never stop
