

I'll Be There

W.E.T.

Hey you
I think it's me you've been looking for
I think it's me you've been dreamin' of
I think that I'm everything that you want
That you want

Hey you
I know that somebody broke your heart
I know that somebody made you cry
I know you're scared and you're holding back
Holding back

Take my hand and make it a better day
Let it go and forget about yesterday, oh

I'll be there
Every time that you need me
I'll be there
Every time
I'll be there

Hey you
Oh I love the way that you look at me
I love the way that you make me feel
I love the fact I can't get enough
Get enough

Hey you
I think it's you that I'm looking for
Oh I think it's you that I'm dreamin' of
I think you're everything ever I want
I want

Take my hand and make it a better day, oh yeah
Let it go and forget about yesterday, woah

I'll be there
Every time that you need me
I'll be there
Every time, oh

I'll be there
Every time that you need me
I'll be there
Every time
I'll be there
I'll be there

I'll be there
Every time that you need me
I'll be there
Every time
I'll be there

(I'll be there)
Oh
I'll be there

Every time
I'll be there

I'll be there
Oh it's true
Every time you need me
I'll be there
I'll be there, oh

Hey you
I think it's you I'm looking for
I think it's me you've been dreamin' of
I think that I'm everything that you want
Oh, oh
I'll be there
Oh, oh
I'll be there
Oh it's true
