

# Invincible

W.E.T.

It's written deep in my soul  
It's tattooed in my heart  
Can read it here in my eyes  
Can read it in the stars

We'll beat the odds together  
I know we'll make it through  
No matter what will happen  
It's always me and you

This love is invincible  
From a higher place  
This love is invincible  
You and me it's fate

We made a lot of memories  
Someone's we won't forget  
And I can feel the ones  
That haven't happened yet

This love is invincible  
From a higher place  
This ship is unsinkable  
This love is invincible  
You and me it's fate

(Invincible)  
(Higher)  
(Holding on)  
(Baby)

We'll beat the odds together  
And I know we'll make it through  
No matter what will happen  
It's always me and you

This love is invincible  
From a higher place  
This ship is unsinkable  
Baby,  
This love is invincible  
I swear

(Invincible)
