It's written deep in my soul
It's tattooed in my heart
Can read it here in my eyes
Can read it in the stars

We'll beat the odds together I know we'll make it through No matter what will happen It's always me and you

This love is invicible From a higher place This love is invincible You and me it's fate

We made a lot of memories Someone's we won't forget And I can feel the ones That haven't happend yet

This love is invicible From a higher place This ship is unsinkable This love is invincible You and me it's fate

(Invincible)
(Higher)
(Holding on)
(Baby)

We'll beat the odds together
And I know we'll make it through
No matter what will happen
It's always me and you

This love is invicible
From a higher place
This ship is unsinkable
Baby,
This love is invincible
I swear

(Invincible)
