

Orgasm Is The Enemy

Waco Jesus

Offensive and insulting, exceeding every boundary
In search of higher ecstasy
Living for the moment every day to the fullest anything can be
achieved
Rapid-fire instructions forced into positions demoralizing and
degrading
Vaginal contractions
I regulate your oxygen for an out of body experience
Normally, can take a fucking backseat
Deviate, from the sexual mainstream
The pain, intensifies the ecstasy
Orgasm is the enemy
Brutalized to, pure servitude, with humiliation and verbal abus
e
Slavish submission, passive obedience
Absexuality, erotic energy
Offensive and insulting, exceeding every boundary in search of
higher ecstasy
Living for the moment, every day to the fullest anything can be
archived
Rapid-fire instructions, forced into positions demoralizing and
degrading
Vaginal contractions
I regulate your oxygen for an out of body experience.....
