

## In My Soul

Wade Bowen

I know you're a long ways away from me  
I'm here in Texas, you're in Kentucky  
But that ain't gonna stop me from loving you so  
You're my one in a million baby you are my pot of gold

Well the Lord has blessed me in many, many ways  
A very close family and lots of good days  
But I sure never asked him for anything like you  
Well I know we're miles apart but that ain't gonna stop me from  
loving you

Well it's gonna be hard and I know it ain't fair  
But that's just life and I really don't care  
I'm gonna shout it out to the world let 'em know how I feel  
Let 'em look us in the eyes and know that our love's for real  
When you're feeling lonesome, when you're feeling down and blue

Remember that I'm right here baby always loving you  
And no matter what highway I'm on, no matter where I go  
You'll always be with me deep down in my heart and in my soul

When you're feeling lonesome, when you're feeling down and blue

Remember that I'm right here baby, always loving you  
And no matter what highway I'm on, no matter where I go  
You'll always be with me deep down in my heart and in my soul  
Yeah you'll always be with me, deep down in my heart and in my  
soul
