

Things I Could Do

Wade Bowen

There's a lot of things I could do tonight
Call up some old friend just to see if they're all right
I could read a book
Maybe something by Louis L'Amour
Oh but I don't feel like doing that at all

I could play guitar, maybe write a song
Something really inspirational that everybody could sing along
I could build a fire and watch it burn all night long
Oh but I don't feel like doing that at all

Cause I feel like loving you
I feel like holding you close
I feel like looking in your eyes
Baby you're the one I want most
Why can't I have you anymore?
Why did you have to leave?
Why can't I pick up and just move on?

I could smoke a cigarette, maybe drink a beer
Turn on the radio see if they're playing something I want to hear
Try to find me a woman
Bust everything just seems so hard
Cause I don't feel like doing anything at all

There's a lot of things I could do tonight
But I'm so heartbroken doing nothing just feels so right
I know it may sound crazy to just sit and listen to the rainfall
Oh but I don't feel like doing anything at all

No, I don't feel like doing anything at all
No, I don't feel like doing anything
Anything at all
