

Who I Am

Wade Bowen

I love to watch the sunset, as it fades behind the trees
I love to talk with God, and get down upon my knees
I love the times I spend with my family and friends
I love to dream about all the places I've never been

And I love to watch you laugh and smile
I love to watch you dream
I love it when you take my hand
Just to let me know you believe in me
I love it that you're my girl
I love that I'm your man
Now that you're in my life, baby, I know
Exactly who I am

I know I love the ladies
I love to go out at night
I love it how we make up
Each and every time that we fight
I love you oh so very much
I love you more than words can say
And I don't know how or why
But I love you more everyday

And I love to watch you laugh and smile
I love to watch you dream
I love it when you take my hand
Just to let me know you believe in me
I love it that you're my girl
I love that I'm your man
Now that you're in my life, baby, I know
Exactly who I am

oh I love to watch you laugh and smile
oh I love to watch you dream
I love it when you take my hand
Just to let me know you believe in me
I love it that you're my girl
I love that I'm your man
Now that you're in my life, baby, I know
Exactly who I am

yeah, yeah, yeah, yeah

Now that you're in my life, baby, I know
Exactly who I am
