

# Goodbye Is The Wrong Way To Go

Wade Hayes

Your sister's waiting outside  
And that horn keeps blowing  
You say you can't go home,  
Without knowing, where we're going  
And crying,  
Saying there's no use trying  
You took off your ring  
Got your bags all packed  
We both said some things  
That we can't take back  
But I'm no quitter  
Baby stop and reconsider

We could call it quits  
Wash our hands of this  
And just move on down the road  
But goodbye is the wrong way,  
Goodbye is the wrong way,  
Goodbye is the wrong way to go

Well we've come so far  
And it's such a shame,  
To be pointing fingers,  
And placing blame  
Baby calm down  
I still love you  
We can turn this around  
Anything worth having,  
Is worth fighting for  
I just can't stand here,  
While you walk out the door  
If you stay the night,  
I know we can make this work out right

We could call it quits  
Wash our hands of this  
And just move on down the road  
But goodbye is the wrong way,  
Goodbye is the wrong way,  
Goodbye is the wrong way to go
