

Love Serenade

The Waifs

When the night time comes
You can hear
My heart calling
Calling out to you
My one true love
Thinking about you
All of the while
Thinking about you
It's making me smile
Honey I'm sitting
On top of the world
Just thinking about you

In the morning light
That's when I'm feeling right
Another day come,
Another day go,
Another day closer
Till I make you my own
Honey, I'm sitting
On top of the world
Just thinking about you

I wouldn't say it
If it wasn't true
Honey I'm in love with you
I'm going to show you
What I can do

Come over here
You've gotta be told,
My love for you
Is out of control
Honey I am sitting
On top of the world,
Just thinking about you, girl
I'm going to show you
How much I care,
Marry you and
Take you away some where
Sit back in a rocking chair
And rock all day
With you my dear

Cause I love you,
I love you
I love you
I love you

In the mornin',
In the evening,
In the night time or
In the middle
Of the afternoon

I love you
I love you

I love you
I love you
Damn right
