

# Love Serenade

The Waifs

When the night time comes  
You can hear  
My heart calling  
Calling out to you  
My one true love  
Thinking about you  
All of the while  
Thinking about you  
It's making me smile  
Honey I'm sitting  
On top of the world  
Just thinking about you

In the morning light  
That's when I'm feeling right  
Another day come,  
Another day go,  
Another day closer  
Till I make you my own  
Honey, I'm sitting  
On top of the world  
Just thinking about you

I wouldn't say it  
If it wasn't true  
Honey I'm in love with you  
I'm going to show you  
What I can do

Come over here  
You've gotta be told,  
My love for you  
Is out of control  
Honey I am sitting  
On top of the world,  
Just thinking about you, girl  
I'm going to show you  
How much I care,  
Marry you and  
Take you away some where  
Sit back in a rocking chair  
And rock all day  
With you my dear

Cause I love you,  
I love you  
I love you  
I love you

In the mornin',  
In the evening,  
In the night time or  
In the middle  
Of the afternoon

I love you  
I love you

I love you  
I love you  
Damn right
