

## Brand New

## Waka Flocka Flame

We in them brand new whips, offsets, no scrubbing  
Always blowing loud that's a gram for a dubbie  
Everyday worth to live the life like a movie  
Shit be so loud, why you think this girl is choosing?  
We in them brand new whips, offsets, no scrubbing  
Always blowing loud that's a gram for a dubbie  
Everyday worth to live the life like a movie  
Shit be so loud, why you think this girl is choosing?

Hold on, Waka; watch out, Flocka; all these girls is one Flame  
Know my clique and who my gang and what the fuck I claim  
Offset rims and candy paint  
Ain't I, ain't I, ain't I fresh?  
Ain't I, ain't I, ain't I fly?  
Waka Flocka Flame the best  
'Cause our refs, we gonna ball out, drink till we fall out  
And till we can't walk, I'm rolling and I can't talk  
Kush got me dizzy, I'm living in the Matrix  
A nigga disrespect me, I'ma leave his ass faceless  
Wrist? 20 bands  
Neck? 30 bands  
Balling like a Benjamin  
This the shit I'm rapping  
Wrist? 20 bands  
Neck? 30 bands  
Balling like a Benjamin  
Now, this the shit I'm rapping

We in them brand new whips, offsets, no scrubbing  
Always blowing loud that's a gram for a dubbie  
Everyday worth to live the life like a movie  
Shit be so loud, why you think this girl is choosing?

Woke up in the morning, then went and bought another car  
Jewelry game stupid, Gucci Mane the superstar  
Wise guy an idiot, sick chain literally  
Your girl into me, Gucci on that silly shit  
Nightclub diamonds? Light bulb diamonds  
It's a crying shame how my right arm's shining  
Left arm blinding, earrings blinding  
Me and your girl, four days, three islands  
Take my shirt off, goddamn, it's getting hot in here  
Waka Flocka, Gucci Mane, Wooh, Frenchie out of here  
Offset like a jet, Waka, where the landing gear?  
Gucci Mane La Flare and my wrist look like a chandelier

We in them brand new whips, offsets, no scrubbing  
Always blowing loud that's a gram for a dubbie  
Everyday worth to live the life like a movie  
Shit be so loud, why you think this girl is choosing?

My life is like a movie, Why get in that dually?  
Gucci in that M6, Wooh's chain fooling

Southside Jamaica, Riderdale, Zone 6  
When you step into these areas, make sure you own bricks  
Candy painter six, I think I'm the shit  
VVS' for my hand, so I raise my wrist  
1017, I just broke, like, seven G  
Balling in the mall like money grow on trees  
Dro come from the Tropics, money is the topic  
And plus, I got the plug like a socket, you get it?  
You know I'm the shit-it, flow game is terrific  
And my clique, I'ma stay committed  
Yes
