

Color Blind

Waka Flocka Flame

I'm color blind when it come to money
I'm color blind when it come to money
I'm gonna leave with every gang
I'm gonna leave with everybody, man

I'm color blind when it come to money
I'm color blind when it come to money
I'm gonna leave with every gang
I'm gonna leave with everybody, man

I'm color blind when it come to money
I'm color blind when it come to money
I'm gonna leave with every gang
I'm gonna leave with everybody, man

She color blind, she just want my money
Whole grind, you can't get my money
Bitch, you lying, you just want my money
And I'm a stay real to my gang
They probably hatin' 'cause I got the money
I'm in a trail tryina stay here rhyming
I'm all on stage rapping for this money
Bring your top coming, I got money
I'm color blind, you already know
I'm color blind, girl, drop it low
I'm color blind for the money
Money, money, money

I'm color blind when it come to money
I'm color blind when it come to money
I'm gonna leave with every gang
I'm gonna leave with everybody, man

I'm color blind when it come to money
I'm color blind when it come to money
I'm gonna leave with every gang
I'm gonna leave with everybody, man

I'm still color blind, I'm chasing dough
Chase the dough, man, chase the dough
I already grind hard times
But know I got the money, pussy watch me shine
I'm color blind, all I know is money
It's all business when it come to money
Girls give me kisses every time I throw the money
Throw that, honey, yeah
Word around town I went triple platinum
All on stake, 10 000 yellow bricks
I'm a stay hood to the end, I'm a stand hood to the end

I'm color blind when it come to money
I'm color blind when it come to money
I'm gonna leave with every gang
I'm gonna leave with everybody, man

I'm color blind when it come to money
I'm color blind when it come to money

I'm gonna leave with every gang
I'm gonna leave with everybody, man
