

Death of Me

Waka Flocka Flame

Till the death of me, till the death of me
Till the death of me, till the death of me
Till the death of me, till the death of me
The day I act a scary nigga lord may I rest in peace

They say the way I ride for ma niggas, that's the death of me
Bitch I know the recipe, let's get these fucking millions G
Follow me, I show you see,
Count these bands nigga, get these stacks
I'm going hard, no holding back, it's cali kush I'm smoking at
40 cal bitch shooting asses, 40 all them know that
Let go bitch we on the map, tm sizzle on the track
Riverdale, till the motherfucking death of me
Niganology, biggy smalls and 2pac-ing me
I'm shining it ain't hard to see, obviously they copy me
2 street go in the street, lame niggas envy me
I'm a real nigga till the motherfucking death of me
Be a billionaire, that's my motherfucking destiny

Till the death of me, till the death of me
Till the death of me, till the death of me
Till the death of me, till the death of me
The day I act a scary nigga lord may I rest in peace

I got my hancock, hoodie on, guncock, seat back
Dark tints, hanging out my window, nigga eat that
I'm a real nigga till the death of me, tweet that
Million dollar seen that, money ain't shit to me
Be the real tweeking out that ecstasy, vision me
Lambos, Ferraris, low key, diamonds make you notice me
Pass you to my dogs, that's the dog me
Shooting back no doug me, og they respecting me

Till the death of me, till the death of me
Till the death of me, till the death of me
Till the death of me, till the death of me
The day I act a scary nigga lord may I rest in peace
