

## go duffy

## Waka Flocka Flame

I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting  
I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting

Live with the Glock, kill with the Glock  
Rob with the Glock, chill with the Glock  
Finger-fuck my Glock, they gon' say a nigga duffy  
Ride like a Huffy, wrap your head like a mummy  
Don't play with my money, dollar or my moolah  
Wrist same color as Mami Chula  
Stupid-ass jeweler, green-ass diamonds  
Traffic light shining, Waka keep grinding  
Gucci Mane signed him, now that boy duffy  
Dropped six mixtapes, now my boys going duffy  
Trunk going duffy, trap going duffy  
Disrespect Waka, I ain't kill you? Then you lucky

I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting  
I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting

Can you picture a little nigga like me, straight thugging?  
Hotter than some fire, shawty, like something in the oven  
The G-code, we live by it everyday  
Bitch nigga get out of line, bitch nigga get erased  
That my homeboy's Turk verse, put a nigga in a hearse  
Evil thoughts got the people thinking that my mind cursed  
They say I can't rap, they say I didn't trap  
They say I'm always flexing, I don't run with a strap  
But I go duffy, riding on sixes  
Stunting on these niggas and dicking down they bitches  
Pockets on Buffy, extra fucking fat  
Drugged up, bunking, calm down, lab rat

I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting  
I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting

Shit, now I'm here now, the star up in the game  
Emani the Made Woman, nigga, Waka Flocka Flame  
When I touch shit, it catch fire  
I'm a made bitch, so I don't cry

Get money all 365  
Got 26's on all my rides  
My diamonds like fireworks  
You can touch them, bitch, but you're getting hurt  
Don't be fooled by the skirt  
I'll put your ass on Life Alert  
In the club stunting, man  
Be checking out my fucking frame  
Ballin' on my fucking name  
I'm looking for his fucking chain  
Getting money, that's all I know  
Hit the club, putting on a show  
Get wrong, I'm locking all the doors  
And I'm looking better than all the hoes  
And see me, nigga, like Turk say  
Since my very first birthday  
I want it in the worst way  
Play with my money, a nigga getting sprayed

I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting  
I keep that heater on me, you know that bitch stay busting  
I go crazy for that dope, dog, they say that I go duffy  
So Icey in the club, yeah, bitch, we getting money  
26's on every ride, you know we stay stunting
