Waka Flocka Flame

A long ride to the west
M.O.B. tatted on my chest
Lord please don't let me rest
Why these niggas wanna stress
Dear God please give me strength
Shawty this how we rockin
Red flags out our pockets (SUWOOOOO)
Tear drops on my potna face
Murder one shawty we'll beat the case (BOAW!)
Bullshit ain't got time for it
Couple mill on our grind for it
Homeboys we gone ride for it
What I say out my mouth I'mma die for it
