Alright well look, here we go again Shout out to my nigga DMX You know when he was in a movie and he told Nas You thought you can't eat puffs nigga Yea, shout out to my nigga X cause this how I feel Here we go again Now you The Waka Flame 2 Half-Time Show And nothing here when all this shit Brick Squad Monolopoly and they doin fuckin tours And they in Europe and nobody gives a fuck Really like honestly So once here I got phantom so So what it's two of em? So? Nobody gives a fuck and you fly private So what? No one cares! I mean yea I drop mixtapes, I give away music for free Flocka run around with his fuckin hair swingin all over the place All the bitches, Flocka can you be my baby daddy? Fuck all that! Ya'll bitches be buggin That need to get at me like real shit Like I don't understand all this The Waka Flocka game His shit went platinum and they crashed servers, who cares? I don't give a fuck Me and my niggas don't care We don't like ya'll, we really don't like ya'll So yea I got all the bitches, so? So what? Nobody gives a fuck So ya'll come down and download this shit And everybody happy and I don't care Real shit, fuck all that DuFlocka Rant 2 and Luv Camarro and Half-Time Show No one cares Except for me, I pull you motherfuckers out I swear to God I know I gotta close it I'm one of loose threads and I won't be Brick Squad everything I'll be for it, gonna be for it, ain't gonna lie to ya'll I'll be actin like I'm mad and shit But when ya'll pull up I'll thinkin ya'll wouldn't even call Do anything, I'd do anything Play some other I'll be on the tour bus, I'll serve the food Whatever man, give me a chance Ya'll could give me a little one, ya'll don't gotta give me a big one Give me a little chance, I swear that I'm cool with that

Just as long as I'm down with ya'll, please
