

Karma

Waka Flocka Flame

I told my lawyer to get my back for all the crazy shit I did,
Yep I'm coming back around, you know I'm not backin down.

I told my lawyer to get my back for all the crazy shit I did,
Yep I'm comin back around, you know I'm not backin down.
AK love that "ka-ka" sound. so much that my gat out now.
Run up I can't mess up now, many men wanna see me down.

I rob so many niggas, karma came right back around
I jump so many niggas, karma came right back around
I can see myself layin on that ground, blood leakin everywhere
Yeah I was scared, but I ain't have no fear

Better wear ya A-game, cause this year I'm goin hard
Put that shit on his card, I'm pullin all yall pussy cards
Shout to that fuck nigga who tried to rob me at the Wal-mart
Run up on his car it'll be a - like mario go kart,
I told my lawyer to get my back for all the crazy shit I did
Broke back and a nigga is, ass they be kissin it
Money I'm not lendin it, cause yall never give me shit

I told my lawyer to get my back for all the crazy shit I did,
Yep I'm comin back around, you know I'm not backin down.
AK love that "ka-ka" sound. so much that my gat out now.
Run up I can't mess up now, many men wanna see me down.

All I know is killas, take off someones head right now
I wanna kill a nigga, for tryin to run from fuckin pain
Cock my shit Imma bust my pound
That's my dog Imma die with him
Cock my shit then ride wit him
That's just how the west side did him

Slick ass niggas they loves to cross
YG hootie, loves the boss
Try to play me, Imma wipe you out
Real killer shit what my life about
Shout out to the niggas that I've done got
Me and my team, got this slot
We thuggin and shinin, find me in west side bonkin'

I told my lawyer to get my back for all the crazy shit I did,
Yep I'm comin back around, you know I'm not backin down.
AK love that "ka-ka" sound. so much that my gat out now.
Run up I can't mess up now, many men wanna see me down.

I told my lawyer to get my back for all the crazy shit I did,
Yep I'm coming back around, you know I'm not backin down.
