

## Keep It 100

Waka Flocka Flame

Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me

Flexing ass nigga, acting like he fucking hoes  
Drinking on beer, I smell that mid on your clothes  
He gon' tell me that he's balling, he gon' tell me that he's smoking  
He gon' tell me that he's drinking, what the fuck this nigga thinking?  
I heard that shit before  
How he ball out in the mall  
How he drinks 'til he fall  
And he smoke 'til he blind  
Plus stay with a nine  
He gon' kill them if he try them  
Shawty's whip on 28's  
Why the fuck this nigga lying?

Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me

Okay, I still go hard in that motherfucking paint, nigga  
Damn, your breath stinking, nigga  
What the fuck you thinking, nigga?  
Old foogazy ass rappers still hating niggas  
Break his ankle on stage, we Draking niggas  
North side bangers, we earthquaking, nigga  
to my Haitian nigga  
No homo, partner, but I hang with niggas  
That'll probably take your jewels like they hang with Hitler

Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me

Got a Tyson style, you know the drill  
Don't get your ears bit, Holyfield  
I'm so for real, you ain't trapping hard  
You ain't got old money, you got a old MasterCard  
Lord, can I keep it one thousand?  
They ain't real killers, they just like to act violent

I'll be smiling, still be wilding in my time and I'm just grinding  
You a pebble, I'm a diamond, check my Stat-en Island

Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
Real eyes recognize real lies, trust me  
I keep it one hundred  
Everybody love me
