

My sauce dripping, my paint flipping  
Big homie Bud, Lil' True Crippling  
Money falling, niggas tripping  
When that money fall then them hoes listen  
Big forty on me, big rollie on me  
Big Cubans on me, Mark Cuban money  
Dumb and dumber that's stupid money  
Unspendable, can't lose it money  
Nigga, jump wrong that's murder money  
Feel like a pussy come take it from me  
I'm from Clayton County that's the majors homie  
Play it smart, won't make it through  
Had the doctors pulling bullets out of you  
I'm just spitting facts, my point of view  
Everybody real 'til they point at you  
Had them chopsticks squeezing at you  
My goons on you like tattoos  
Me and you we the opposite  
You could look at me and speak common sense  
I check pussy, gynecologist  
See it's Bricksquad and Hustle Gang  
I don't fuck with pussies, I don't fuck with lames  
They'll try you but not Waka Flame  
We'll run his pockets and pocket his chain

Nigga you'sa pussy, pussy, pussy, pussy, pussy  
It ain't my fault that you a pussy, pussy, pussy, pussy, pussy  
Money falling, girls poppin' pussy, pussy, pussy, pussy, pussy  
Girl give me that pussy, pussy, pussy, pussy, pussy

Drop the top back and I swerve in that pussy  
Might shoot your crib up, go berserk in that pussy  
Clocking right in go to work in that pussy  
It just took a charm 'cause I' murking that pussy  
Working that pussy, I'm twerking that pussy  
My life like a movie, my rollie ain't booshie  
My diamonds conceited, my thoughts really foreign  
Worries stay low lil' lackey be crawling  
That money be falling, these bitches keep calling  
My niggas be balling, them bottle be popping  
That liquor be pouring, my niggas is winning  
You know that they scoring

What it be like lil' nigga?  
All you old mans tryna be like lil' nigga  
They say my stomach getting big, gotta eat right nigga  
You gotta be home before they turn on the streelights lil' nigga  
Pour up, you know that we drink lean by the liter  
Haters behind me they following the leader  
I'm dripping this salt sweat lick through your speakers  
My senior year I tried to fuck all my teachers
