

# Realest Shit I Wrote

Waka Flocka Flame

Now this the realest shit I ever wrote  
My best friend I grew up was strung out on coke  
Now this the realest shit I ever wrote  
Why everybody I with grew up down the road  
Now this the realest shit I ever wrote  
All my hits I made till today I never wrote  
Now this the realest shit I ever wrote  
I've been through so much shit  
I could stand in the rain and ill soke so pray that I don't go wrong

I've been through so much shit lord please don't let me go bro  
I'm from Clay County we don't yawn niggas don't die ho  
Turn up  
They don't ride no country nigga  
They don't ride I'm from Clay county nigga  
I came from nothing but the song  
And now all these niggas wantin' somethin  
When I was young I got the dollar menu and some noddles nigga  
When it come to shoes every six months  
Me and my brothers got a new pair  
I'm blessed to be standing here

Now this the realest shit I ever wrote  
My best friend I grew up was strung out on coke  
Now this the realest shit I ever wrote  
Why everybody I with grew up down the road  
Now this the realest shit I ever wrote  
All my hits I made till today I never wrote  
Now this the realest shit I ever wrote  
I've been through so much shit  
I could stand in the rain and not so pray that I don't go wrong

Come on help 'em come on come on check  
Hundred thousand in my mail box  
Bless my niggas locked up in a box  
I could never be a snitch man don't finger cops  
This the realest shit I ever wrote  
Lord want my child best for strung I go cold  
I'm just looking for some answers  
I'm just looking for some answers  
They kill my daddy kill my mother  
Bust my auntie cuff  
Get the HIV then took my bitch away from me  
So I'm poppin' pills, drinking liquor, smoking weed  
'Cause I'm stressed out mentally

Now this the realest shit I ever wrote  
My best friend I grew up was strung out on cold  
Now this the realest shit I ever wrote  
Why everybody I went grew up down the road  
Now this the realest shit I ever wrote  
All my hits I made till today I never wrote
