

## Red Ferrari

Waka Flocka Flame

Most of these girls like to argue  
See, I don't really argue (nah)  
She's makin' faces while she take this dick  
So many real niggas, girl, it's hard to pick (why?)  
Girl, turn up like an after party  
Girl, turn up like an after party  
She said she never drove foreign  
So I introduced her to my red Ferrari

Girl, turn up - why don't you pop these pills?  
Girl, turn up like an after party  
Girl, turn up, let these hoes know  
Even though it ain't your concert, turn it to your show  
Ooh, girl...  
Ooh, girl...  
She make Giuseppes look like six inches  
Blog sites, TMZ, now they takin' pictures

Most of these girls like to argue  
See, I don't really argue (nah)  
She's makin' faces while she take this dick  
So many real niggas, girl, it's hard to pick (why?)  
Girl, turn up like an after party  
Girl, turn up like an after party  
She said she never drove foreign  
So I introduced her to my red Ferrari

Introduced her to that 'Rari, introduced her to my crib  
Introduced her to that molly now she's takin' off her shit  
Let's get lost in the moment, girl  
I'm with it, if you with, say I own it, girl  
(I ain't doin' no playin')  
Tonight it's all on you  
Really, it's on me  
I ain't payin' for no pussy  
That pussy payin' for me  
Put that pussy where I want it, girl  
Put that pussy where you want it, girl  
Tonight I own it

Most of these girls like to argue  
See, I don't really argue (nah)  
She's makin' faces while she take this dick  
So many real niggas, girl, it's hard to pick (why?)  
Girl, turn up like an after party  
Girl, turn up like an after party  
She said she never drove foreign  
So I introduced her to my red Ferrari

(Hold up, hold up) Introduced her to that lifestyle  
Girl, you fuckin' with a Gold Member, not no lifestyle  
So just play your position, I'm a go crazy in that pussy  
While I'm in it, you my witness  
I'm a have you sayin' "ooh..."  
Ooh, girl...  
Ooh, girl...  
Almost paid her tuition

My work magic, magician  
Make this disappear, she with it

Most of these girls like to argue  
See, I don't really argue (nah)  
She's makin' faces while she take this dick  
So many real niggas, girl, it's hard to pick (why?)  
Girl, turn up like an after party  
Girl, turn up like an after party  
She said she never drove foreign  
So I introduced her to my red Ferrari
