Waka Flocka Flame

Don't let me catch you slippin'!
Don't let me catch you slippin'!
Don't let me catch you slippin'!
Don't let me catch you slippin'!

Caught a nigga slippin' outside of the parking lot
Young nigga partner change rang in his pockets
No mask so you know who got it
But you scared to get it back 'cause you know they 'bout it

Don't let me catch you slippin'!
Don't let me catch you slippin'!
Don't let me catch you slippin'!
Don't let me catch you slippin'!
