

Still Standing

Waka Flocka Flame

I don't really got aim so you better take cover waka flocka flame dis da intro mothafucker
Waka flocka Flame dis da intro mothafucker
Waka flocka Flame dis da intro mothafucker
Waka flocka Waka flocka Flame dis da intro mothafucker
I'm scared of a lot of things but I got no fear (flocka)
Fear get you killed that's why I'm still standing here
Dis ear 20 10 I ain't holding shit back I'm a bring pain to every body like heart attack
Breathe in breathe out muthafucker I'm the lethal weapon you can call me danny glover
Flocka go hard he learned dat shit from his mother
The label doin me dirty tryin to fuck me with no rubber I ain't no sucker
Roll up now nigga blown up now nigga a bitch it's goin down
They should have never gave a young nigga money
I'm still dat same nigga drunk all his shoes bummy
I remember back den 6 doin it fo my potnas
Sellin pill and weed shawty mothafucker a salary
Ballin up words go these rap niggas foulin me
Always talk bout waka dat y his biitch wanna me
Shawty you got lucky can't believe I lost that ice ou had a 00 clip and almost lost yo life
Homei was scared to kill how the fuck the robber real
My first year rapin and I signed a major deal I'm waka flocka
You the king of the jungle I'm a play simba I'm wait fo my trun can't lose I'm a winner
Alot of niggas food I'm meet ya'll at dinner open house to any body nigga come and enter
Goin in like my last name was cater fuck a book and pad these pussy got me mad
So I called lo I need a beat I'm in the lab nigga put it in the bag bear face fuck a mask
I pistol whipped his ass remember that catch yo ass slippenin u road kill you fuckin rat
Waka flocka flame I heard he brought gangsta back were the gangstas at
Somkein kush in ever club if you bangin throw it up
Bitch we fightin in the club after that we shoot it up
I don't really got aim so you better take cover waka flocka flame dis da intro mothafucker
