Waka Flocka Flame

I'm a fuck her; not gon lick her;
I'm a beat her back out...
You gon cake; you gon lay; you gon let yo guard down...
I'm a fuck her; not gon lick her;
I'm a beat her back out...
You gon cake; you gon lay; you gon let yo guard...

I'm a fuck her; not gon lick her;
I'm a beat her back out...
You gon cake; you gon date; you gon let yo guard down...
You a lame; I'm a boss; that's what these girls like...
From L.A. to New York; I'm a give these girls hell!

You gon tell her that you love her;
I'm a treat her for the night...
I'm a freaky nigga might lick a bitch down... NO!
In the six with mo dro; blowin kush down...
Things are good in da hood; I'm bustin bricks down...
Ak 47 for dem boys tryna play around...
I like my booty round...
All my hoes love to bounce...
Shawty you a fool with it; shawty you a fool with it...
STOP!

Face down ass up; won't make love in da mouth...
I'm a beat her like she stole my last blunt;
In da drought...
Wooh da kid fucked yo main & yo sista...
Ha mouths a playground; so I neva kissed her...
Too many kids played around in ha playground...
Call dis girl mary j; cause she goin down!
You spend yo money; breakin bread with a freak bitch...
Don't give a shit; but some rubber & a dope dick...

[Chorus: Out]
