

Wet Wet

Waka Flocka Flame

Like my life got hard wood floors on it
I don't walk on concrete man
I walk on hard wood floors and ballin'
Like a person with no watch I ain't go no time for the bullsh*t
FLOCKA

20/20 vision
Shoot with good precision
Make the wrong decision
Flat line you missin'
Time is money so you only got 5 minutes
New drop top, that sh*t look like Carly
It's so f*ckin' sexy, smokin' weed just like I'm Marley
Dread Head slangin', so them hoes dig it
If my spike look like my charm you no know imma' sip it

But I'm off the meter
Where your girl at?
Cause I'm off to meet her

You often eat her
