Fuck a flashy suit, we're a bunch of Gs

Drop it to the floor, make that pussy drop
Take it back to mine, watch that pussy pop
Is that pussy safe? No, that pussy's not
I don't even know what that pussy's got
Pussy stunner, posey stunner
AJ jeans, Dolce jumper
Wanna shoot and miss? You a dopey dumper
The way I switch flows, vocal jumper
I'mma fuck her for it, I ain't fussy for it
When that pussy's wet, I'm a sucker for it
Call me Lion King, turn Mufasa for it
Wanna sell that pussy? Then I buss her for it

Lock me in a room with two girls, truth or dare
The fuck if I care? Ain't no love over here
Drink in my cup with the weed in the air
Chill in her gear, Hermès she wear
£20,000 yellow in my hair
Hop in that Rari, I'm switchin' that gear
Real street nigga, ain't no snitch over here
Always turned up, I can't turn down
Turn down for what?
If you split, I'll buy you a butt
Buy you some breasts, throw money up
Twerk-twerk-twerk-twerk girl for these bands
Work that pole, I'm the man
What's your plan? Who you with, girl?
Yo friends who gon' call you to the motherfucking ends

All you see is purple 20 dollar bills on the ground
Fucking with Giggsy, the realest in town
Smoke up the pound, loving them sounds
