

C'mon Baby

Wakefield

We've got a good thing going on
We've got a good thing going on
Baby

Wanting you so bad
It's a problem I have
And I know that you need me
But it won't come that easy
I said I know, I know, oooh

Come on baby
You make me sweat
I'm suffocating
You stole the air from my chest
My heart's on fire
I'm falling from your lips
You know you know we've got
A good thing going on
We've got a good thing going on

Whisper too softly
Let your hands do the talking
I'm resisting temptation
Devoting dedication
Let's move

Wanting you so bad
Is a problem that I have
And I know that you need me
But it won't come that easy
I said I know, I know

Come on baby
You make me sweat
I'm suffocating
You stole the air from my chest
My heart's on fire
I'm falling from your lips
You know you know we've got
A good thing going on

We've got a good thing going on
We've got a good thing going on

Come on baby
You make me sweat
I'm suffocating
You stole the air from my chest
My heart's on fire
I'm falling from your lips
You know you know we've got
A good thing going on

Come on baby
Come on baby
My heart's on fire
I'm falling from your lips

You know you know
We've got a good thing going on
