

## Clinton St. Girl

Wakey!Wakey!

Clinton St Girl  
She's got the world on her shoulders  
She's got a light in her eyes  
Clinton St Girl  
Knows famous artists like feelings  
Knows when she's wrong and she lies

And Ludlow St boys  
Yeah we do what we please  
And Ludlow St boys  
Never say what we mean  
And Ludlow St boys  
When we fall keep our hands in our empty pockets  
And land on our chins and go

Clinton St Girl  
Sidewalks and bank accounts, day counts  
She either laughs or she cries  
Clinton St Girl  
She's harmful and hateful and foolish  
I'll love her the rest of my life

And Ludlow St boys  
Yeah we do what we please  
And Ludlow St boys  
Never say what we mean  
And Ludlow St boys  
When we fall keep our hands in our empty pockets  
And land on our chins

And we go home bleeding  
And we go home bleeding
