Dance So Good

Wakey!Wakey!

I remember when you lost your head Sometimes I wonder how you stay so sad When you're so beautiful I remember every word you said How you were scared because you'd never been Somewhere so beautiful So beautiful So tell me why we're talking when we dance so good So tell me why we're talking when we dance so good I know you can't stay But I wish you would Yeah, I wish you would Yeah, I wish you would Now you tell me that you're on the mend Sometimes I wonder how you don't go mad When you're so beautiful So beautiful So beautiful So beautiful So tell me why we're talking when we dance so good So tell me why we're talking when we dance so good I know you can't stay But I wish you would Yeah, I wish you would Yeah, I wish you would I remember when you lost your head Sometimes I wonder how you stay so sad When you're so beautiful You're so beautiful So beautiful So beautiful So beautiful So beautiful So tell me why we're talking when we dance so good You tell me why we're talking when we dance so good I know you can't stay But I wish you would Yeah, I wish you would Yeah, I wish you would
