

## Same Problem

### Waking Ashland

Oh no, the battle forms inside  
And I speak, but you don't see the signs  
My heart aches, leaving me here to hide  
My world shakes, until you assure me

Oh no, there goes composure  
Over and out to sea  
Oh no, this won't control me  
But it seems to get the best of me

The same problem, coming to haunt me again  
And I know it's taken the best of my head  
The same problem tears me to pieces inside  
And I'm left to wonder, oh why, oh why

Oh no, I'm crossing my fingers  
In hopes, you will not leave me  
Far away, the silence it burns me  
As I wait, the tension builds

The same problem, coming to haunt me again  
And I know it's taken the best of my head  
The same problem tears me to pieces inside  
And I'm left to wonder

Oh why, can't I move forward?  
Oh why, does my mind wander?  
Oh why, does my heart desire you?

The same problem, coming to haunt me again  
And I know it's taken the best of my head  
The same problem tears me to pieces inside  
And I'm left to wonder

The same problem, coming to haunt me again  
And I know it's taken the best of my head  
The same problem tears me to pieces inside  
And I'm left to wonder, oh why

Oh no, there goes composure
