

## Cat People Dub

Waldeck

See these eyes so green  
I can stare for a thousand years  
Colder than the moon  
It's a been so long

And I've been putting out of fire  
With gazoline

See these eyes so red  
Red light jungle burning bright  
Those who feel me near  
Pull the blinds and charge their minds  
It's been so long

And I've been putting out of fire  
With gazoline

See these eyes so blue  
An ageless heart that can never mend
