

Cat People Dub

Waldeck

See these eyes so green
I can stare for a thousand years
Colder than the moon
It's a been so long

And I've been putting out of fire
With gazoline

See these eyes so red
Red light jungle burning bright
Those who feel me near
Pull the blinds and charge their minds
It's been so long

And I've been putting out of fire
With gazoline

See these eyes so blue
An ageless heart that can never mend
