## **Cat People Dub**

See these eyes so green I can stare for a thousand years Colder than the moon It's a been so long

And I've been putting out of fire With gazoline

See these eyes so red Red light jungle burning bright Those who feel me near Pull the blinds and charge their minds It's been so long

And I've been putting out of fire With gazoline

See these eyes so blue An ageless heart that can never mend
