Waldeck

The spaceship is
Waiting for you
Waiting for you
Come on babe
Back to the moon
Visit the stars
Do it on mars
Baby lets
Kiss the stars goodnight

Visit the stars
Do it on mars

Do it on mars
Do it on mars

Baby

The spaceship is
Flying too fast
Flying too fast
I think baby
I was controlled
Passing the moon
Dont do it on mars
Baby
I spot a ship that made your time

Visit the stars
Do it on mars
Visit the stars
Do it on mars
Do it on mars

I was controlled
Baby
To waltz out on space
To waltz out on space....

Baby

He spaceship is
Waiting for you
Waiting for you
Come on babe
Back to the moon
Visit the stars
Do it on mars
Baby lets
Kiss the stars goodnight
