

My Sweetie

Wale

I needed to feel like you know... when your mother used to take you to the a fta party

You're my sweetie, My sugar, My lady, my lover (this is for so the girls in nigeria)

my honey let me hold you (you know what it is, let me love you, forever)

Well, maybe not forever

Chain withdrawn when we not together

Best foot forward, holla at your boy

And I can get em all without lots of effort

take her home, and we can get it on

Make my jollof with lots of pepper

God has blessed her, prada dresser

Mix my guinness with a Dr. Pepper

Im so Naija, she so ibo

she so sweet, shortie feed my ego

Me bold dude, Boladipo olu

Whole crew, roll through, got more green than whole foods

African queen got what you need

said my name wale, Ba wo ni

You're my sweetie, My sugar, My lady, my lover, so honey let me hold you, let me love you, forever

Who said I don't rep, i am naija all day

when I meet your mom I still du ba le

I am Wale, Olubo

We be in the party like we own that bar

No regard when I'm going at abroad

And I go up in a party like im going abroad

Understand that's fly, damn super fly guy land in Du Bai

yall can't get it, I make yall get it

Hate estate and my iPod wit it

Money on the floor, throw it on a broad

this is not balling, but this is our culture

You is not hip then I can not coach her

If its not couture, i will not go to her

If its not k9, i will not couture

To much cognac wheres my chauffeur

You're my sweetie, My sugar, My lady, my lover, so honey let me hold you, let me love you, forever

Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

said theres Money on the floor, spray it spray it

You're my sweetie, My sugar, My lady, my lover, so honey let me hold you, let me love you, forever
