

# Thank God

Wale

Turn me.. up, wah, wah...

Turn that up a little bit, Dre

Let's have a toast, one time can you put the deuce up for the triple black niggas that put forth so much foresight on this forthcoming, fifth album

Nigga this style is fantastic, that's why the young lasses ask for us with such passion

Thank God

I said thank God

I said thank God, we don't do what we used to do no more!

Yeah, yeah, yeah, yeah

Thank God

I said thank God

I said thank God, we don't do what we used to do no more!

Yeah, yeah, yeah, yeah

I tell my enemies, I really pray that you don't fall

I tell my enemies, I really pray that you don't fall

Yeah, yeah-yeah, yeah

So they can watch me ball

Ball on a nigga, ball on a nigga

Too much sauce on a nigga, sauce on a nigga

Fuck em all little nigga, yah little nigga

Yeah-yeah, watch me ball

SLP, that may not be out for months

If they want a feature, they don't reach out for months

I may not be some type of street artist

See honestly, I decieve and to be populized

I'm trying to get my daughter five McLaren

That feminist side come around when Zyla there

Quiet girl, kiss the baby goodnight and step out in riot gear

City of light, city of light when the moon out

Criminal side, miss Luna

Heavenly God, I pray the squad stay too up

Satan stay with y'all cuz the fear of God too much

J Lorenzo, a couple bands, oh...

It's unbelievable what I've been through

Gave niggas handouts, they become a handful

What it do? What it do?

Sean John threw a bag so Back to back, triple black MayBach, mad room back I t's too late, all you niggas two-faced

All you'll ever be good at is roll weed and playing 2K

Or maybe Madden and FIFA, that's why I brag when I see ya

If my bag ain't a bag, at least my integrity straight

Thank God

I said thank God

I said thank God, we don't do what we used to do no more!

Yeah, yeah, yeah, yeah

Thank God

I said thank God

I said thank God, we don't do what we used to do no more!

Yeah, yeah, yeah, yeah

I tell my enemies, I really pray that you don't fall

I tell my enemies, I really pray that you don't fall

Yeah, yeah-yeah, yeah  
So they can watch me ball
