

Call It Off

Walk Off the Earth

I won't regret saying this
This thing
That I'm saying
Is it better than
Keeping my mouth shut
That goes without saying
Call, break it off
Call, break my own heart

Maybe I would have been
Something you'd be good at
Maybe you would have been
Something I'd be good at

But now we'll never know
I won't be sad
But in case
I'll go there
Everyday,
To make myself feel bad
There's a chance
I'll start to wonder
If this was the thing to do

I won't be out long
But I still think it better if
You take your time
Coming over here
I think that's for the best
Call, break it off
Call, break my own heart

Maybe I would have been
Something you'd be good at
Maybe you would have been
Something I'd be good at

But now
We'll never know
I won't be sad
But in case
I'll go there
Everyday,
To make myself feel bad
There's a chance
I'll start to wonder
If this was the thing to do
I'll start to wonder
If this was the thing to do
