

## Call It Off

## Walk Off the Earth

I won't regret saying this  
This thing  
That I'm saying  
Is it better than  
Keeping my mouth shut  
That goes without saying  
Call, break it off  
Call, break my own heart

Maybe I would have been  
Something you'd be good at  
Maybe you would have been  
Something I'd be good at

But now we'll never know  
I won't be sad  
But in case  
I'll go there  
Everyday,  
To make myself feel bad  
There's a chance  
I'll start to wonder  
If this was the thing to do

I won't be out long  
But I still think it better if  
You take your time  
Coming over here  
I think that's for the best  
Call, break it off  
Call, break my own heart

Maybe I would have been  
Something you'd be good at  
Maybe you would have been  
Something I'd be good at

But now  
We'll never know  
I won't be sad  
But in case  
I'll go there  
Everyday,  
To make myself feel bad  
There's a chance  
I'll start to wonder  
If this was the thing to do  
I'll start to wonder  
If this was the thing to do
