## Walk Off the Earth

I ran away in floods of shame  
I'll never tell how close I came  
As I crossed the hollow road  
Well you went left and I went right  
As the moon hung proud and bright  
You would have loved it here tonight

Spin me 'round just to pin me down on the cover of this strange  
bed  
Spin me 'round just to pin me down

Spin me 'round just to pin me down  
I'll be gone by the night's end  
Spin me 'round just to pin me down

Wrap up your questions, keep them down  
Let the water lead us home  
And I was sorry for what I'd done  
When you were young, I was not old  
But our story was not told  
Torn apart by greedy hands

Spin me 'round just to pin me down on the cover of this strange  
bed  
Spin me 'round just to pin me down

Spin me 'round just to pin me down  
I'll be gone by the night's end  
Spin me 'round just to pin me down

I'll be home in a little while  
Lover, I'll be home  
I'll be home in a little while  
Lover, I'll be home  
I'll be home in a little while  
Lover, I'll be home

I'll be home in a little while  
Lover, I'll be home  
I'll be home in a little while  
Lover, I'll be home  
I'll be home in a little while  
Lover, I'll be home
