

My Rock

Walk Off the Earth

I don't know what you want to know
Living in this town, I don't -
It won't help me grow
Playing by the sun the sky and the waves at home
I could tell the moon to rise so I'd be alone

Said oh oh oh oh
I'm living how I know
I'm living how I know
Said oh oh oh oh
I'm living how I know
Living how I know
Cha!

If time could ever stop this would be that day
Listening to the clock as it ticks away
I just found my rock and it's here I'll stay
Listening to the clock as it ticks my way

I was tired from life and the pace we go
Living in this restless town with nothing to show
'Declare the sun the sky and the waves my home
I could tell the moon to rise so I'd be alone

Said oh oh oh oh
I'm living how I know
I'm living how I know
Said oh oh oh oh
I'm living how I know
I'm living how I know
Oh oh

Living how I know
Living how I know
Living how I know (I know... I know... I know... I know... I know...)

Said oh oh oh oh
I'm living how I know
I'm living how I know
Said oh oh oh oh
I'm living how I know
I'm living how I know
Cha!

If time could ever stop this would be that day
Listening to the clock as it ticks away
I just found my rock and it's here I'll stay
Listening to the clock as it ticks my way
