

Drunk In The Woods

Walk the Moon

Singing loudly,
And I'm drunk in the woods
You find me in the clearing
Like I hoped that you would

Careful as we cross stones in the creek,
Let your body go when you fall, fall on me

Mmm, In the morning,
You stand me up
Looking down and over,
Would you wait on me hon

Careful as we cross stones in the creek
Let your body go when you fall, fall on me
Careful as we cross stones in the creek,
Let your body go when you fall, fall on me

Careful as we cross stones in the creek
Let your body go when you fall, fall on me
La da la da la da da la da da,
La da la da la da da la da da
La da la da la da da la da da
Let your body go, when you fall, fall on me
